SIR,

With reference to your No.3323/Muz: of 24-12-'06 forwarding a statement showing the distribution among the Muzrai Institutions under Government Management, "Permanent and Temporary" of the Mysore Government 4 per cent paper for Rs.2,20,000/- purchased on their behalf and another showing details for the commission of Rs.1100/- payable on the paper, I have the honor to state that necessary notes have been made against the institutions concerned. Whether these institutions had on the 30th June '06 balances admitting of the purchase of the paper of the amounts allotted to them in the distribution statement sent by you, is a point which can only be ascertained after the verification of the balances is completed. The distribution now made will therefore have to be regarded as provisional, pending the ascertainment of the correct balances to the credit of the Institutions on 30th June 1906.

2. The balance on 30th October 1906 of the Sri-Ghati-SubramanyaSwami Temple, so far as it has been verified, discloses a wide divergence between the amount in its favour as per books of this office and that claimed on its behalf. Two statements showing the transactions of this institution under the two heads viz. 'Savings Bank Deposits' and 'Public Debt' 14 Miscellaneous Funds (1) Muzrai Funds (a) Institutions under Government Management Permanent' are enclosed, from which it will be observed that against Rs.17,942-7-1 held in its favour in the Savings Bank and

Sir,

I have the honor to state that in the year 1893 it was found that funds at the credit of Sri Bhoganandeeswara Swami Temple, a Muzarai institution at Nandi, were not sufficient for its repairs, and therefore Govt. in their Proc. No. 460-2 Muz. Pl. 140-92 dated 12/14.2.1893 sanctioned the levy of a small fee on the cattle mustered for sale during the annual fair held at Sivaratri Kotaavane of the deity.

Since then, annually about Rs 1,800-- is being realized as fees from the cattle fair and the amount saved till now accumulated to Rs 8667-15-9 which I have just now discovered remaining as

credit of the Institution without being invested. It will be to the benefit of the Institution if, on the principle laid down in Govt. Circ: No. 3531-2 dated 18.5.1904, this amount is permitted to be invested and purpose 4% debentures allotted - for ₹ 8,000/-. Application for this was not made earlier as it was not brought to my notice in time. I have therefore to request that ₹ 8,000/- of the 4% debentures may kindly be granted for this important Institution.

Owing to the large sums which have had to be paid for special purposes during the past few years to the Sri Vyasaroyaswami Matt at Sosale and to the fact that the monthly allowance to the Matt has been greatly increased recently and also to the settlement of certain debts on favourable terms to the Matt, the money in the Savings Bank and in the Treasury has become quite exhausted, and it has become necessary to sell some of the Mysore Govt 4 Pro. Notes (amounting to Rs 31,000) which are available in favour of the Matt.

The amounts which are very urgently required are :-

1. Rs 5,000 for the repairs of the Branch Matt in Bangalore City (the work is nearing completion).

2. Rs 2,000 for the repairs of the main Matt building at Sosale ~~(Establishment~~ (Estimate sanctioned).

3. Rs 500 for repairs to Branch Matt at Tumkur (~~Establishment~~ Estimate sanctioned)

4. Rs 4,000 for the current monthly charges up to the end of March 1908, when the collections for the

current year will begin to be received.

I think therefore that for the present, paper of the value of ₹ 11,000 may be sold, i.e., transferred to the richer temples of Chamarajnagar or Kalasa and the value thereof at par may be credited to the funds of the Matt in the Bangalore District Treasury and made available for the purposes above named.

If the above proposal is approved, I shall instruct the Comptroller to do the needful at once.
